Attorney's Docket No.: R.35957 :
For: MAGNET COIL, METHOD FOR :
PRODUCING A MAGNET COIL, :
MAGNET VALVE, AND FUEL :
PUMP :

NOTIFICATION

The above-identified application is before the Office of PCT Legal Administration arising under 37 U.S.C. §371.

BACKGROUND

On 22 December 2000, applicants filed international application PCT/DE00/04588, which claimed a priority date of 29 December 1999 and which designated the United States. A copy of the international application was communicated to the United States Patent and Trademark Office ("USPTO") by the International Bureau ("IB") on 12 July 2001.

On 29 August 2001, applicants filed a transmittal letter for entry into the national stage in the United States accompanied by, *inter alia*, the basic national fee.

On 18 October 2001, the Office mailed a Notification of Missing Requirements Under 35 U.S.C. 371 (Form PCT/DO/EO/905), indicating, *inter alia*, that the Office had yet to receive an oath or declaration of the inventors in compliance with 37 CFR 1.497(a)-(b) and that additional claim fees were due.

DISCUSSION

The correspondence address is Ronald E. Greigg; Greigg & Greigg PLLC; 1423 Powhatan Street; Unit One; Alexandria, VA 22314. The Notification of Missing Requirements was mailed to an address other than the correspondence address. It is noted that the customer number is 02119, not 002119.

CONCLUSION

For the reasons above, the Notification of Missing Requirements (Form PCT/DO/EO/905) mailed 18 October 2001 is **VACATED**.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for further processing in accordance with this decision, including the mailing of a new Notification of Missing Requirements (Form PCT/DO/EO/905).
